Good morning Jeff ; you are looking at the forms that are run wild at 8' tall ...the concrete column within is 7' tall ...we talked about a 7' tall gate at that area also the old columns to the heli-pad were 7' footers ... columns can be trim down to what ever elevation you like ...we are starting to build the gates today ...what size do you wantthe width of the road between the columns is 16' ...please advise...

5 palms
complete roof assembly
build and fill parapet walls
dry in roof
installed roof down leaders and underground drain lines to daylight...
started setting 8' door assemblies
