Jeffrey, I think it may be a good idea to set up a time to meet on April 12 in Cambridge. As a location, I can offer my home office near Harvard Sq, my office at the medical school, or any tea shop in the area. Or do you have another preference?

Suggest a time.....as i'm flexible that day.

Hi Jeff,
I'm around Monday, Martin Luther King day until
3pm. Is that a good day for a phone conversation?
Alternatively, as the phone hasn't been too successful,
should we meet in person? When are you in
Cambridge next?

Our work is getting enormous media attention. (Attached is an
article in this week's New
Yorker. I wished it had
focused more on our
science and less on me. We
expect coverage by "60
Minutes" in January.)

This is a critical time to develop our scientific and institutional roots at Harvard. We're looking for partners to help move our research along. Would there be another time you could talk by telephone?
