Is it ok to speak with Sean regarding GIV in Reno?
I'd like his opinion, he hold no grudge on me for moving the Boeing to Avpro, and he's been always willing to help us.

Jeffrey,,
Ken the broker told me an offer a little over 6M would be his starting
point, seller is quit motivated to sell the plane at a real number, and
a 6M+ offer would get there attention, according to Ken
,.Ken indicated seller will counter, but motivation is there to get rid of the
plane, at least two people have shown serious interest, Don Bass

client and Rockstar drinks, however rock star refused to make offer since no toys in pax compartment, they want a turn key plane,.
Ken is waiting to hear from trustees on closing before end of year, Ken felt the trustees have not mentioned a value to closing before years end, since Board has not brought up that subject up with him.

Don Bass would like to discuss B727 deal and plan of attack, are you available for a conference call some time today with Bass?

thanks,
Larry
