Hi Jeffrey,

yes, I will continue to put the foundation's content on popular public sites like Google + and will update you.

If you google any person, famous or not, you will see that personal websites come up on the first page. That is true of your existing website: [www.jeffreyepstein.org](http://www.jeffreyepstein.org).

I think it's important to have some good content on that website and links to your Google, facebook, LinkIn, Twitter pages, to build up the latter.

will be in touch soon,  
thank you [REDACTED]
