we must start with the fact that my experience is what drives these dates ,, not the pool contractors. I am happy you are back, we must now start a vigorous program of upgrading my experinece on the island. I would hope that the refrerigerator looks like that in a five start resort,, I would like your focus to be house experience. rather than construction.. I am in africa and did not read any contract , but it should be clear that i no longer will subordianate my expericene to any other projects or people thanks

My understanding was completion date end of feb for both pools  
To meet this deadline start date needs to be Tuesday 16 th as indicated in settlement agreements forward to you by Darren  
I do not recommend that both pools are down at the same time  
Therefore I believe it would be in your best interest that we start as soon as possible  
Would you be ok with start date 21 jan for flag pool

Will refill pool
