Sorry Jeffrey I didn't get the part when you say "we could go back together".
Also are these people going to be in paris around january 28th?
I remember you said that the head of nobel price would be in paris on the 12th but is he going to be there around the 28th too?
I am asking these precisions because I'll show him the email and at least i would be able to give him more details when he asks.
