Jeffrey!!

I had a safe and very quick journey back here..already in the office. I was sitting next to the lawyer who went to Harvard Law for JD when he was 35, he says that they are searching for diversity in the classroom not necessary excellent grades because they are already very high in the ranking..who knows..everyone says something

how much i enjoyed NY and am still enjoying my new haircut - it gave my hair volume and now it looks more manicured like you say and healthy...thank you... You are the most thrilling what happened to me in 2011

pity that you think I am not ready for work at UN at Vienna or anywhere else - I ve already found a flat to live at in Vienna - Miranda wants to go to moscow to study Russian and I give her my apartment, she gives me hers in exchange in Vienna she said

enjoy the beauty of the scenery around you, xox
