Jeffrey,
firm number for prebuy at Long Beach Gulfstream:
-perform Aircraft / Records and condition Survey: \$36,884.00
-optional Landing Gear Corrosion preventive inspection: \$26,098.00
-optional Flight test with two Gulfstream test pilots; \$4,620.00
total package: \$67,602.00

Since we have a verbal negotiated price, there is no reason seller can grant us access to the C.M.P. Computerized Maintenance Program at this time, I'd like to see where gear corrosion inspection status stands currently, and due date of future high dollars inspection items that may be coming due in the near future. Granting this access will help me with cost diagnostics while Darren is preparing contract.

-is it approved for Darren to request CMP access at this time from seller?

thank you,
Larry
