Hi Jeffrey,

I said I would get back to you by the end of the day!

I'm sorry that your top pages on google are still a mess.

Tomorrow am working on:

Wikipedia
Enhancing your linkedin /google plus etc
i would like to create other URL's for your foundation such as jeffreypstein.us and other endings? URL's similar to your .org site will rank high on google.
Who is your webmaster? Can I call him?
also it would be good to put some simple content on your website-- and we can have a menu of all the press that goes out.
Also, you have some positive old press in the ny times and crimson etc and trying to see how to get these pushed above the bad stuff.

Any chance of getting a precise pitch from reputation by giving them your name?

If not no problem
