Jeffrey,
attached is Edwards & Assoc, (Bell Helicopter), in Fort Lauderdale's quote for maintenance and interior work,.I await PremiAir's maintenance cost proposal, should have by tomorrow,.

items listed from my inspection included:

- New pilots windshield \$37k
 - Refurbish wheels and breaks, painted silver, \$8k
 - upgrade and overhaul auto pilot servos \$75K
 - annual inspection, 50/100/150/600 hour full inspection \$18k (labor only, findings extra)
 - New carpet \$8,500
 - New Leather seats \$38k
 - New tail rotor blade \$38k
 - upgrade to Barrier filter system \$71k (Edwards quoted this \$90k, I have previous quote for \$71k total)
- estimate, \$299,199.00** (includes interior work) see attachment for details of quote,.
I'd include another \$100k for findings during the annual inspection,..maybe \$150k,

Larry,

Per the request below please see the attached estimate. This should be used for budgetary purposes only as leather and soft goods could have an impact, and the Bell pricing on spares is scheduled to increase a weighted average of 3% on January 15, 2012...

If you have any further questions please feel free to contact me personally...

Kind regards,

David Burch
