Jeffrey,  
I have scheduled a Boeing test flight for 1 hour on Thursday at 11am,,to complete my RVSM certification,. Just in case the Qatar buyer wants to fly the Boeing on Saturday, I want to make sure all is functioning on the Boeing for a possible Demo flight on Saturday Dec 3rd,. I have Arinc Avionics from Miami on board the test flight and will set up GPS Height monitoring equipment,.entire test takes 40 min only,.  
no extra insurance cost, this is covered on my ground insurance and 10 hours of routine flight test,.  
Crew will be Rodgers, Morrison and myself,. should invite Nadia?  
is this approved?  
thank you,.  
Larry
