Jeffrey,

Good to see you this evening.

As discussed, the only change Solina's lawyers requested is a provision for material breach.

Jonathan or Henry will send you the redline Investment Letter with the language that we are comfortable with – in defining material breach and the chain of events should it occur. Since it is hard to argue against the inclusion of any material breach clause, we have sought language that protects us from anything trivial or subjective.

Hopefully this is OK with you.

Best wishes,

Ian
