I have given our conversation a lot of thought. 1. You are great. and i am happy to have met. you. 2. Did your husband take your money as well as your trust.? , 3. I think as both you and I travel alot. I should introduce you to some intersting men, . Different countries, different fields of success. all nice people.. this does not mean that i have lost interest in you.. it is just that I belive in being a good friend, You can help me find new assistants. You have good judgement and a good eye. I am going to start, four new businesses and need more help. Smart young , men or women,, ambitious, and willing to work hard , long hours, lots of travel. They will need to be organized. an be able to deal with thethe aristocracy of both the business and political world. 21-25 yrs old. with poise.
