I have left a message on Dr. Shimony's cell phone to call and help with an EMG appt for you. Dr. Fatimah does not work on Thursday's at all. She does work every other Friday, but she does not work this Friday Nov. 4th.

Dr. Zaharakis Does work this Friday, but she is booked. Hypothetically speaking, If Dr. Shimony thinks you should see Dr. Zaharkis and can get you an appt for this Friday, would you stay and take the appointment?
