I would love to, but I really have to prepare for this interview, and today is my last full day to do it. So I'm stuck in the Dream all day long. It also sounds like I should probably teach the section on 'manipulation' (how good are you at that?).

p.s. Take a look with the la belle Russe at [Nick Lepard](#). He has already done your governor.
And the governess (although he normally doesn't paint women, so don't let her get any ideas).
