Jeff-

Regrets for the delay. I get into the city late Friday night, and am ther all weekend, and perhaps monday. Saturday, we are planning to cook lunch with Linda, then take a walk (perhaps in the park), maybe find a quite spot or do something else that afternoon together with Linda, Michelle, and Mandarin. It will be fun - FYI, I never do such things, so this will be different from the norm. We have not decided what we will do in the afternoon between 2pm and 5pm yet, but would LOVE it if you wanted to join us, and join what will be a fun conversation (or, let me know if there is a favorite place you recommend?). A problem is that since it is a weekend, there are hordes of people in lots of places- we do our best to avoid them. Or, I could come (by myself) Sunday, anytime. Let me know.
