Greetings Mr. Epstein,

November 7 photographs for your review and comments:

Blue beach

Main compound

Big hill grading

Courtyard tree lights scaffolding

Library wall

Palms hurricane tie down anchors

Palms off master - preliminary grading

Flagpole

Parking area

Landscaping - grass, relocated bottle palm, transplanted "Ginger Thomas"

Landscaping

The palm off of the outdoor tub area was removed - the surrounding concrete/stonework did not provide ample room for that palm's root system, so the palm died - Igala would like to replace it with a Christmas palm - JE please advise

Dock house

Respectfully submitted,

Daphne
