I have agreed to fund a guy named Kevin Law,, advisor to Paul tudor jones. he has been allocated two of the google 100 channels for content . formerly music business, content provider. 39 years old. IT is a 10 million investment. I don't want to do anything in the internet space without offering it to you and jacob. as little or as much as you want. I thought If you like , you an jacob, the fund, could have it, partner with me, etc. the ability to provide content that is talioed to intl is intriguing. (hosts can be changed , inserted per country etc.)..
