Jeff,

Attached is a drawing showing the placement of "E" (second drawing)

We need to see if this is what you want. Font of the "E" can be decided on later.

What size of you want the "E" to be? Based on the drawing below we can move it up to be in line with the center points of each of the nautilus if you want. Tom based this on the hand drawing that was done (also attached)

We plan on pouring the second nautilus form tomorrow but will be working around and not pouring anything around the area of the "E".

Please let us know your thoughts

Marc
