A person I know is in contact with FBI agents sitting in the Rothstein depo. He is singing like a bird, implicating lawyers and outside firms in his scams. The DOJ is apparently trying desperately to keep him off certain topics, ostensibly because they have criminal investigations underway. The transcripts are being made public soon, however. Will let you know if I hear anything.

I will be in St. Thomas next Wed. Will wave at your island when we sail by.

Happy Chanukah; Merry Christmas.
