Subject: so much fun...

to see you today!! and meeting Joe was great!
Candle 79 on Thursday night with [REDACTED]. Meeting for dinner at 8 pm and you're welcome to join for dessert -- I sent [REDACTED] an email.
To text me -- [REDACTED]

Might have some time on Friday afternoon if my meeting is wrapped by 4:00 pm (it should be) -- just need to get up from the village. I have a dinner around 6:30 pm. If that works for you -- I may see if Eugene -- the interesting computer programmer, finance, econ, guy can join.... I think you'd find him interesting... super smart, it can take a little time to get him rolling in conversation.

Philip Rosedale would be so great for you to talk with BEFORE you go to Africa. Fascinating mind...

Here are the coconut resources for Joe:

in Vancouver. Their raw coconut water, frozen raw coconut, etc., are fabulous. Coconut oil is great, too.

In the states, [REDACTED] Tropical Traditions:

I also use their coconut cream concentrate (when i make a pureed veggie soup, I use coconut cream concentrate to thicken the soup).

Expensive and super delicious pastured chickens raised also on Cocofeed
