Dear I hope I can hear from you today later.

[REDACTED] said that my prescription will be expired by tomorrow. So to by medicine I can do only today(I can't because I have a shoot until the late evening) or tomorrow(I can do anytime) and If I'll miss this days then I have to wait 20 days again for to renew my prescription which will be break my treatment. This is how this system work as [REDACTED] said to me.

I am a little worry;((

Sorry for keep sending you my notes. But let me know if you'll have any news.
Thank you so much again.
