Depends if you need a new assistant...you can hire her or propose to your friends...I'm sure she Would love to stay in NY.

- or to do the following : find what she is good at, ask her ambitions, goals...teach/help how to achieve...you help people Jeffrey, you are the most talented psychologist and the most dangerous manipulator I've ever been going through - you make people believe in themselves, you give them confidence and incite them to do the most unbelievable things... You do it the way that they give you anything you ask for in return

Jeffrey, sorry for numerous emails...but now it is a period when I think the most about our Nabokov-Lolita experience and about everything I went through with you...  
I have this interview with a Field Street hedge fund, New York, London, Monaco based. The founder absolutely loves me and wants to hire for the operations department either in New York or in Monaco. But I must meet the whole team first, and I know as much about Hedge funds as you know about snowboarding !

If I could call you even for 2 minutes to hear your "encouraging voice", nothing else, it would make me very very very happy!

p.s. : when are you and [REDACTED] are back in NY? [REDACTED], the kindest, nicest, very gorgeous friend of mine is looking forward to meeting you...she is a good girl, very smart and from a very good family..but is curious and happy to learn new things too..
