Unfortunately, I ran out of time, I am heartbroken having to delay my program, but I hope that I can begin at christies during the next available cycle. I sincerely appreciate all your help and thank you in advance for you understanding. ----- [REDACTED], I spent a great deal of my day yesterday attempting to navigate a solution. If you decide to move forward, the issues are the following. I makes me crazy that this could have been avoided if we had known that all I had to do was transfer money to a bank acct last month for you. and the CAS would have been easy. You need to show. 15 k pounds in it for 28 days. . -- I am sensitive to your not wanting to ask for help. but in the future, I am a perfect friend, I could have edited your correspondence with Christies . it would have avoided complications. , since the English was confused and the tone asking for special treatment , re waivers. I am here to meet , I know how you feel. PLease also check with your laywer if you have one on the two weeck notice , even if the co is disbanded. ? I am told , but not by lawyeres that many co ;s close but the labor laws are outside and still applicable.
