I am dying. Its such a shame. I know people don't die of colds, but I am sure this one is going to kill me. For the past day I have been hiding under the covers with a massive sinus headache and just thinking about the things I regret in my life. I have decided that I regret paying so much in taxes and I am trying to get to my other regrets but my head is splitting. If, as expected, I die from a cold, I have you with a recording of "I left my heart in SF".

Have been having some fun with Iraq.

Will call you this weekend.

Oy.
