Jeffrey...why do u always have claims to me? You are right,I'm not your girlfriend,but I'm also not your servant or secretary..Since the day I met u,I spent ALL the time with u...I didn't communicate with anybody,I didn't see my friends,I didn't go on vacations..during 3 weeks I've just been with u..I dressed like u told me,I did my hair style like u asked.. We had sex,I did massage for u non-stop,I took a bath with u and your girls even ,if I don't like it..served u a tea,danced,even if I didn't feel like to dance or wasn't in the mood..I went to flea market,even if I hate all these furniture stores..I've been only for u..I went to Russia to make my visa..

U promised me to organise appointment with a doctor..u promised me to introduce to photographers,to some people from Victoria's secret,to some celebrity.. Words stayed words..U didn't do any step to help me to get my target..I'm not a stupid girl,and of course I feel like our friendship is not mutual..I'm kind of girl,who come to entertain u,when u r bored or when there are no other girls around to make u blow-job or massage...U don't appreciate it..U promised me,u gave me the hope,I believed u..but the words stay words...Of course,the most time I spent with u I love..and of course I learnt something new,u gave me advices...but I need to go forward..but it seems like that from your side are only words..u just left to US..just left me here with all my problems...I'm sorry that I lied to u...
Jeffrey,of course,I'd love to spend time with u..u know that I like yoo a lot,and I'll be happy to continue our friendship with u..but u know also that I need your help and u r powerful strong man to do what u promised to me..I belive that u r capable to help to become succesfull and independent..
