Rich Khan just called. Flight options just called him and said the pilots for your plane are saying they are fatigued and can't fly. There is a plane landing in Farmingdale, NY at 11pm, and you could have wheelsup at 12am from there to Logan, or they could reposition the plane to Teterboro for a 1:30am wheelsup. Or should we try to schedule the flight for early morning? There is a JetBlue flight tonight at 10:50pm from JFK to Boston as well. Pls advise
