I did not understand that you intended to drain the pool to work on the bottom, this makes little sense that i am gone for 1 month and the day i arrive, the pool should be drained because bart has now chosen to show up. he will have to wait for me to leave. I understood that the lights would be changed, and corretd when i was here, I am not going to be at the whim of the pool guy who tells me we gave him the plumbeing plans. and the lighting plans, .
