Yes but you have been using 1phase into the VFDs and 3 phase motors. Pls confirm the input voltage and # phases to the VFD.

Very truly yours,

Michael Palazzolo

Are you feeding the VFD for the KEX fan with single phase voltage?

Very truly yours,

Michael Palazzolo

Mike attached is the specifications for the Kitchen Exhaust fan in pictures please give me price to replace the 20 yr old drive. The motor is 3hp Rpm 1750 drive needs to work from BMS and wall switch in kitchen. Also need a price on separate proposal for heating pump in basement acs141-141-2k7-1 2 hp 200v-240v.Thanks Richard Barnett
