I saw Bill on Aug 16.. that was a year after my raising with him the DAF idea for the first time. Since then , seperate from helping to tweak your presentation , there has been little interaction between your team and me. I was very cognizant re settling our legal issues to take that out of the equation. It is not going well. and at the moment the chances of success are 50/ 50 at best. that is down from 95-5. This is not about SOCIAL INVESTING
