Hello Jeffrey !

How is progress with [REDACTED] ?
Just my opinion:

Take it slow please...you need to become good friends with her and make her trust you
.....(maybe a job in modeling through [REDACTED] would put her into a position to be thankful to you
and to absolutely love you for all the possibilities you give her for discovering NY and its
entertainments/opportunities -> she needs to trust you first and to believe that you are safe and
won't do any harm!) before you put her on a next step of discovering your special hobbies -
that I did enjoy personally and learnt a lot from you about men and what they like !

The [REDACTED] interview went absolutely fantastic. I was there 4,5 hours with head of operations, traders
in interest rates, currency, the developer of futures automated trading tool...they are keen on
hiring me - they want me to meet NY team through video conference first

Would you be interested meeting this genius? He is my neighbor in [REDACTED]
