Jeffrey,

These units are the top of line 2012 and are due to the dealers in about 3 to 4 weeks there is no color option

The price of each unit is \$13,300 crated and delivered to Tropical and I estimate Tropical to cost about \$1,200 to \$1,400 for each unit

So total cost delivered to LSJ is about \$29,000

Please advise on how you want me to proceed

Please find the link to the watercraft attached in this email.
