LM for Felicia Taylor on her cell [REDACTED]..the email address I have for Felicia came back as undeliverable.

Peggy Siegel is working on an article (?) ...something with a deadline and she hung up on her assistant before the assistant could even tell her who wanted to speak with her (you) Peggy's assistant suggests if you really need/want to speak with her that YOU call her yourself at her home and she won't hang up!

Peggy home: [REDACTED]
