I spoke to Igor. He is going to Russia from Sept 12-19th, flying back to NY on the 19th. He will stay in NY for you that week, but would like to be back in PB for Janusz' wedding on sept 24. I spoke to him also about the future living situation at the staff house with Janusz getting married, etc, and he wants to speak with you about it as well when he is in NY.
