Hi darling, how was your summer, almost thought i was going to see you in Rome but know such luck, any way how was the fresh fruit and meet of Italy, I've always been told there's nothing quite like it, that quarter Italian running through me has always made me proud, well as a woman!!!!

Take a look at this, it's a beautiful beast, reminds me a little of you in that respect.

So this is the great discovery.  
Frank Stella was commissioned years ago by the city of Miami to make an outdoor sculpture. As the city ran out of funds the piece was not completed. Frank being Frank, just forgot about it. So it has been sitting in shipyard and after having spoken to him, I wanted you to see it first. It is for outdoors and hurricane proof, as it was demanded by you!  
To find a piece of this calibre and unseen is, you must admit a find.....

Call me and let's talk about it, I think it's worth a phone call.

Lol
