Hello Jeffrey, I have only one way to be in Paris at the end of

September - it is to prolong my visa with one of my parents. They dont give it to single Uzbek girls - I know its stupid, I planned for tour, but problems with dates, I figured them when u wrote me that u will be there until September 14, I understand, u cant know when you will have something urgent or not.

But for now here is the view:

I really need to know something sure with date, Im sorry that Im asking that, but its really important, they wait.

You wrote it will be 30th of september, so can I be sure to come to Paris at 1st of October and see you?

I already paid for that but I have time limit to change the dates and should know that exactly

because if you are not sure you will be there there will be no reason to fly there anymore

Thank you in advance Jeffrey,

Hope to receive the answer soon
