Hi Peggy,

I feel as though I live at your mothers house because I've been showing it a lot this week.. which is great.. I don't have an offer for you at this time, however, there seems to be steady interest, and more specifically interest from one young couple who have now been back three times. These people are currently waiting for co-op board approval for the sale of their apartment in the city before they make an offer. Apparently they need the proceeds from the sale of the apartment to move forward with the purchase of the house.

I'll keep you posted Peggy.. I'm trying hard to make something happen.

Thanks!
Dennis

Any update on sale of mother's home?
Will be back in town tonight and in my office tomorrow. Thank you.
