I was very sad and needed some advice...but after all I took all the decisions. I've subscribed for a postgrad course and started learning,I'm a student again. :) I already have an exam on 13th but is just an certification that I needed for this course. Iwas writeing you to ask u if you were able to help out with u're friend that had the online study...now i have to pay £2500 for one year study. :( Let me know what's your opinion on it...

It will help me in my future job, giving me a better qualification.... Especially to be able to get a work permit as a highly skilled individual.

I just came to Romania last night because I was to upset to stay in London, like this here I'm a bit more relaxed and I can study in peace. I'll be back in London next week though, don't wanna stay to much here...

kisses
