Jeffrey....

Understood and agreed because I am too old to go to jail and I love eating at outdoor cafes and my freedom....

However it is framed, the French are behind the organization of this conference as a way to position their companies ahead of the pack, especially the Britts and the Americans. Which I am sure has upset the Emir of Qatar who financed the TNC and the rebels for the past five months. So look out for the signs, and check out who is cozying up to whomever.

Most of please be discreet because as you know the key to comedy is timing.
