Jeffery, I just want to say how greatful I am.
It's so wonderful to be in NY! we had a such a beautiful day with Dana!we
visited Metropolitan muzeum ,Alexander M'cqueen exhibition..it was really worth
to spend 5 hours on the line! after all the effect we've experienced in
exhibition we walk the dogs in the park,we had late launch...
Tomorrow is my first day in workshope. I can't wait to know how it feels working
with complexions ballet company. I am very excited and happy!
Thank you so much.
