Not sure - he keeps telling folks that he is on a tight deadline but no one seems to know when.

He has now contacted the Diageo folks and threatened Erika that he would call her mother to let her know who Erika works for (her mother gave a campaign contribution to John and Barrett found her name).

With warm regards,
Cecile

Update: I called him several times this morning and have not been able to get him. I left several messages so hopefully we will speak to day.

BTW - The Barrett story is now a 2 part one only to be on the on-line Daily Beast. 1st part will be all about you and John and the 2nd part will be about the EDC program as a whole.

With warm regards,

Cecile
