Dear Lesley,

Thank you for your follow-up msg. Unfortunately, one of my experiments extended longer than expected on Friday and I could not return to my office on time for Mr. Epstein call.

I would like to talk to Mr. Epstein, but today I am at a workshop until 6:45pm. I could talk to him either today at 7pm (REDACTED) or Tuesday or Wednesday anytime (REDACTED). Please let me know what date/time would be convenient for Mr. Epstein.

Hello Mr. Contreras-Vidal.

Following up our phone conversation last Friday, Mr. Jeffrey Epstein would like to set up a phone date with you to discuss your

research. As I mentioned, Mr. Epstein is very interested in science and the brain, and has funded researchers...he read the article about your research in Science Daily and your Brain Cap Technology(<http://www.sciencedaily.com/releases/2011/07/110727121555.htm>)

Mr. Epstein says he may be interested in funding your research.

When might be a good time for you to have a discussion with him?

Please let me know.

Thank you,

Lesley
