Subject: LSJ Parts

Jeffrey,

I have a quote in the amount of \$29,807.85 from Jack of American Export (we have purchased these parts in the past from them because they have the best prices)

These parts will cover hydraulic fittings for the barge and all the heavy machinery, ie cement trucks, crane, etc
without this we would need to go to STT and have VI Techo make fittings which would

be more costly.
this order is estimated to last approx. 9 months.

Please advise

Thank you
