Rothstein needed Edwards to file complaints , to show to investors. In the third week of July they had an all hands meeting , where Ken Jenne brought in 15 boxes of Epstein files. Brad and Jaffe file a Fed complaint on July 18 234 pages, but instruct Beth Williamson , not to serve me. They misspell Epstein. So that we would not find it on Pacer. (Beth should be interviewed by the USAO , she will with immunity get you your deep pocket.) Though Brad at his depo denied filing it. There is a subsequent email from him to Beth, on Oct 18 asking her to prepare a similar Fed case to be filed under EW, ([REDACTED]). This is also the time Scott is trying to get D3 money in. He emails that he is afraid of losing the Epstein cases to other lawyers. Scott was invited in by Edwards on Qtask on the Epstein cases. The only case Scott asked to be included on. I think a package sent over to the USAO is in order. They should also examine the [REDACTED] (pre BRAD , 302 sworn statement , with the post Brad story,, they should interview [REDACTED] and [REDACTED] ([REDACTED] currently in jail)
