**This is the project that Margaret has been working on for several years and that I helped produce (when I wasn't getting in the way).**

**So, I have one request. If I've ever done you a favor, helped you out, made you money, got you a job, made a contribution to something important to you, or in any other way been a positive influence in your life, GO SEE THIS MOVIE. It's opening on September 23 at the City Cinema Village East, 12th Street and 2nd Avenue. It's a romantic comedy with a slight twist. I promise you'll leave the movie theater happy.**

**Please, GO SEE THIS MOVIE. It's an independent film and needs the support of friends. The nice thing about it, you'll enjoy it. A LOT. It's fantastic. Funny, charming and mysterious. Take a look at the trailer. You'll see what I mean. GO SEE A BIRD OF THE AIR. The weekend after next. It's important and it's fun. Enjoy. Bring your family. And thanks.**
