He's a close friend, worked at club med out of hotel school (had the job you want), ended up regional manager; opened a restaurant in Aspen; i scooped him up and he worked for Hyatt for a while, then Blackstone, then for Craig Robins in Miami, just finishing his MBA in Denver, focusing on hospitality. I'd just give him the assignment of helping you figure out the best way to approach it, not necessarily hire him to do it. Although maybe. If you want, I mentioned your general situation, and he seemed to have a lot of thoughts about it. If you want, I'll give him your email and he will send resume etc.
