Gradually. JF coming to moscow to meet my family in 2 weeks.

Had dinner with his parents few days before my gmat test.
Josh asked me to speak italian to the waiters so that his parents could hear it.
And told them that I had very high scores at my prep tests.
We will probably come to visit them in aspen at the end of august...

Had a small financial disagreement with J. I even removed our picture from my ipod screen saver. J was very upset about it. Now everything ok)

Reading Chia book + GMAT guide. Both very important!

Miss you and the family!!!!

All couples were separated at the dinner. I was sitting next to Andronico (from Chili) and some other people. Everyone was so amazed when I put some food on his plate. someone said : "When you have a russian she puts food for you. When you have an american she takes food away from you!").
Apart from [REDACTED] no one was giving food for their husbands!) I was bringing drinks for J and all his friends)

Met Irina Vodolazova (women), she is friends with Regina. Very pretty. But I think might be druggy.

Big big kiss
