Hello jeffery

No I didn't forget. I was in the airport all day on Friday because my flight ended up getting delayed push back and then canceled.. It was such a nightmare !!! I got into New York Saturday morning.

Sorry for not calling. I got so flustered with the whole travel situation I wasn't thinking right.

I slept in today so I feel much better. I'm getting everything back into gear, I'm ready for the week to start.

If you like I can stop by this week??
