Did you make progress w bill?

Hope JB party enjoyable.

Nice to see [REDACTED] she is such a nice person!

Stevie has some ideas for you.

Oh and wondering if you think you might want to consider Lowell in a paid advisory position for your foundation. Bill uses about 80hrs of Lowell per week, unpaid since Lowell is retired. Lowell would never ask for anything and of course would follow bill to end of earth. Buy Nathan treats him like crap (also no pay).

Its hard to see the real brains behind the operations not being compensated and truly he is a national treasure that deserves more.
