I'm in NY, leaving to Munich for a job for 2 weeks this saturday.have my 2 girlfriends from Slovakia here.So I'm going crazy.they r nice and easy but I'm trying to make their visit super interresting and different.Went to see Blue man group..it was the most ridiculous show we have ever seen.Horrible..I don't understand why it has good reviews. If u don't like someone just sent them there! :) Also saw How to succeed in business without really trying w Danielle Radcliff..that was amazing!!!!!!!!!!!!

I'm with Elite paris right now..so gonna have to spend some time in there in october and november.But importand is that here in DNA agency they r really happy w me..this year has been my best financially so far so can't complain at all..:)
